HD Brows

The High Definition Brows treatment creates a bespoke brow, tailored exclusively for you. Starting with a consultation, your Stylist will assess your brows and face shape to design your High Definition Brows. The next stages of the treatment consist of tinting, waxing, threading and plucking, with Stylists using a specially designed formula to give you perfectly defined brows. To finish, your Stylist will use High Definition make up to complete and refine the brow area. You will leave with brows groomed to perfection and of course, a High Definition Brows addict!

30mins £30

LVL Lash Lift

By straightening your natural lashes at the root and then tinting them, the LVL Lash Lift gives you the appearance of longer, thicker lashes. No mascara. No messing. Just perfect lashes from the moment you wake up.
