HD Brows

The High Definition Brows treatment creates a bespoke brow, tailored exclusively for you. Starting with a consultation, your Stylist will assess your brows and face shape to design your High Definition Brows. The next stages of the treatment consist of tinting, waxing, threading and plucking, with Stylists using a specially designed formula to give you perfectly defined brows. To finish, your Stylist will use High Definition make up to complete and refine the brow area. You will leave with brows groomed to perfection and of course, a High Definition Brows addict!
